Q 7:172-173 - simplified flow

Ahd vs Mithaq

04-ahd-vs-mithaq.svg

Ahd vs Mithaq

Two lead words - overlap, not rigid walls

Ahd

Commitment / pledge / charge

Often obligation language

Examples:

Q 16:91 fulfill

Q 17:34 will be questioned

Q 20:115 Adam

Q 36:60 vs Shaytan

Mithaq

Confirmed / solemn compact

Often ratification / solemnity

Examples:

Q 7:172 Alast

Q 33:7 prophets

Q 2:83 Bani Israil

Q 4:21 marriage ghaliz

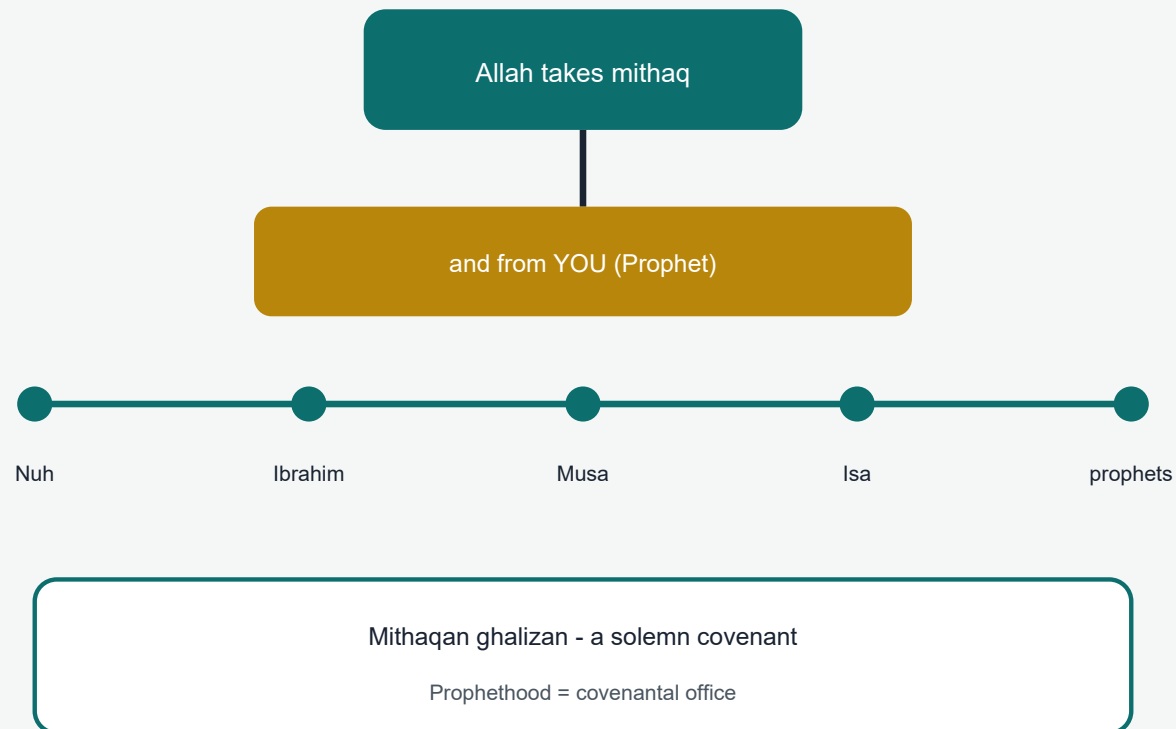

Rule: read local context - they can appear together

Prophetic Mithaq

05-prophetic-mithaq.svg

Prophetic Mithaq

Q 33:7 - messengers under solemn compact

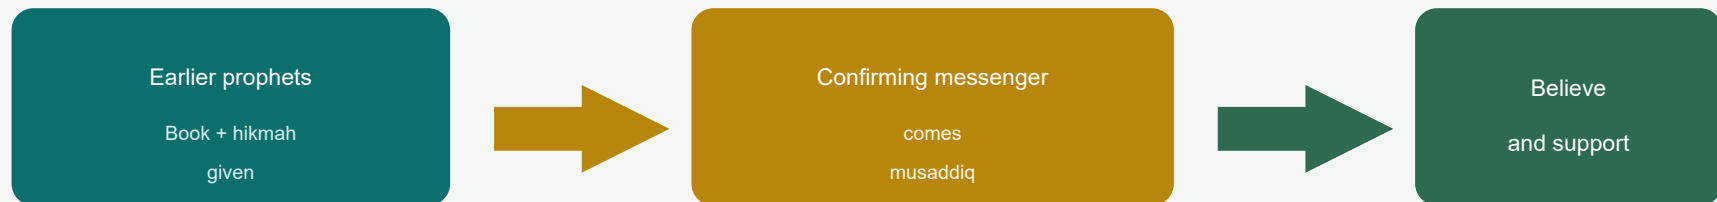

Confirming Messenger Compact

06-confirming-messenger.svg

Confirming Messenger Compact

Q 3:81 - continuity under covenant

Taken isr - affirmation - Allah witnesses

Continuity, not chaos: revelation confirms revelation

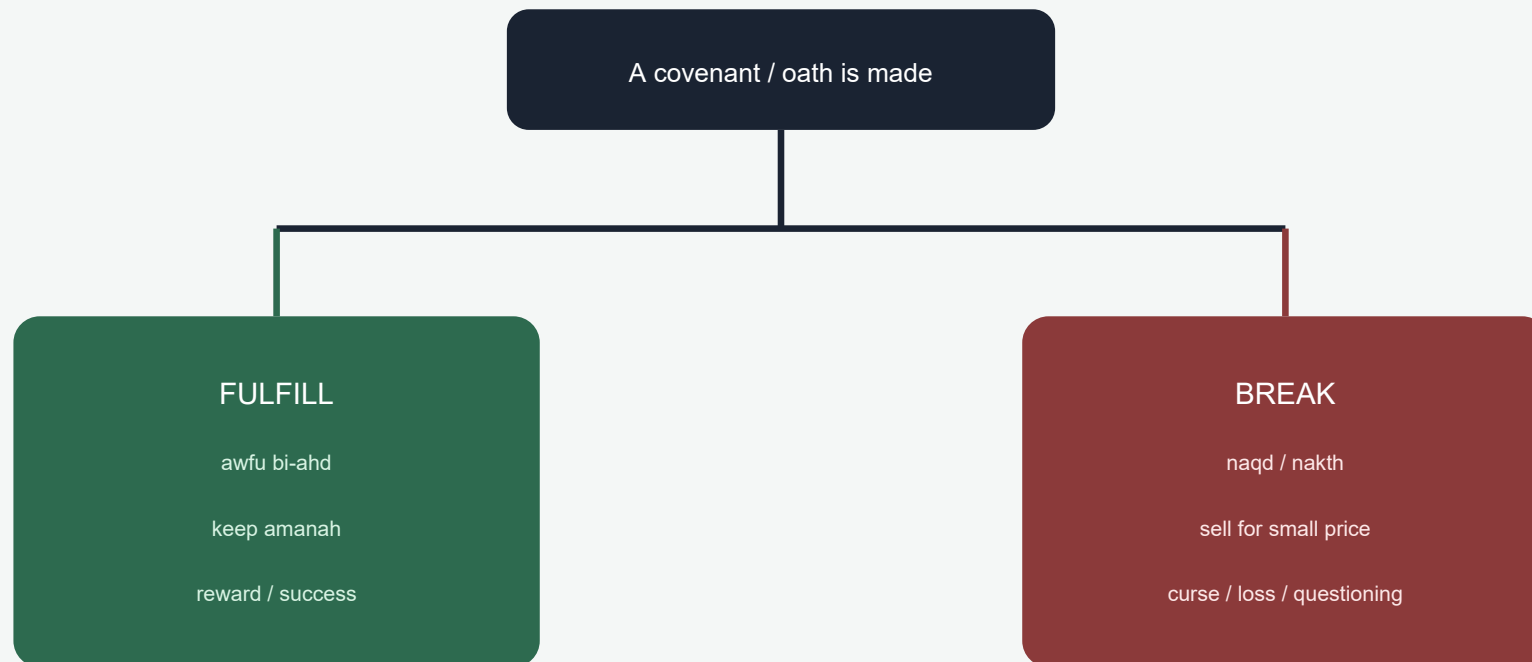

Casuistry details nuanced (C4) | Principle: clear

Fulfill vs Break

07-fulfill-vs-break.svg

Fulfill vs Break

The fidelity fork - Q 16:91 / Q 13:20-25

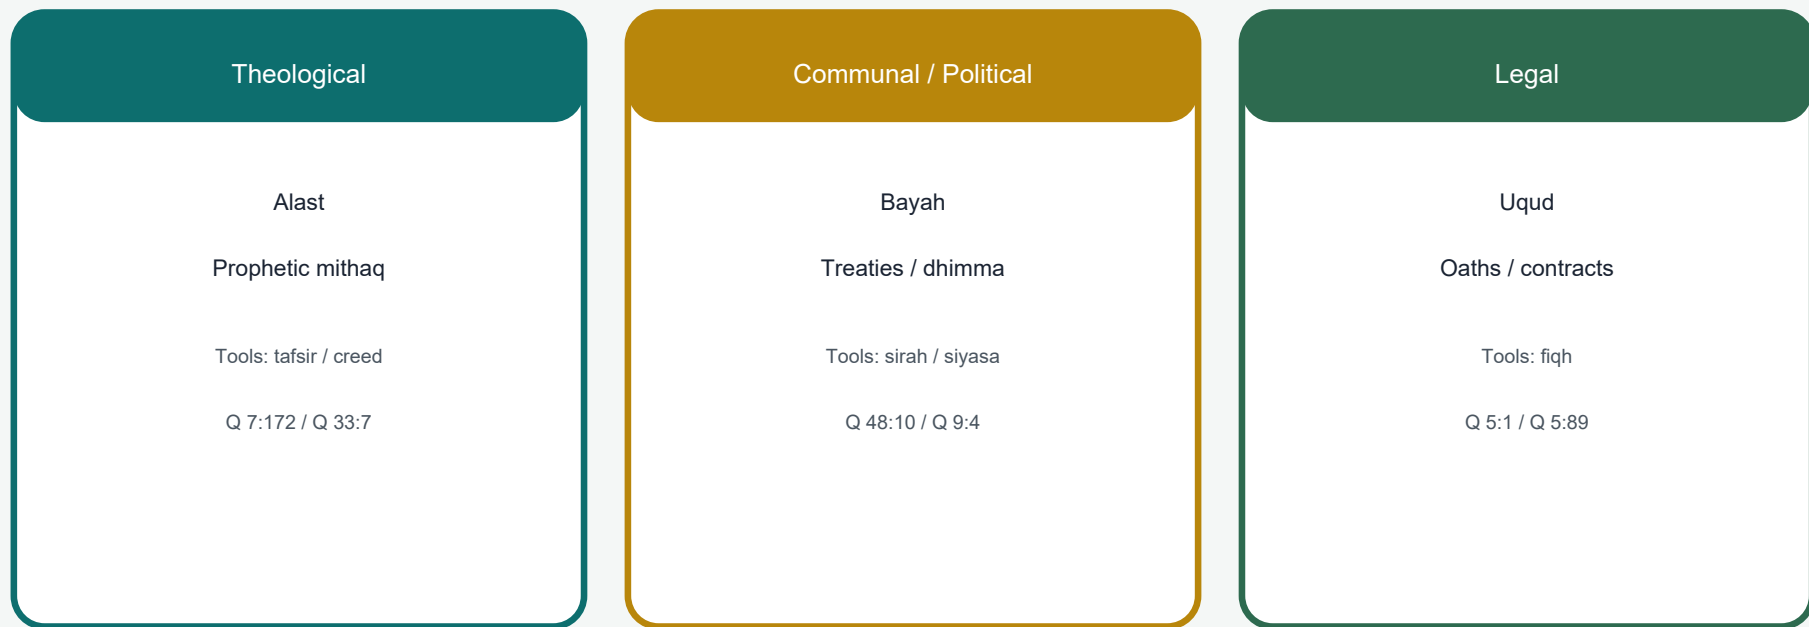

Allah is kafil over confirmed oaths (Q 16:91)

Three Registers

08-three-registers.svg

Three Registers

Same fidelity sky - different ground - do not collapse

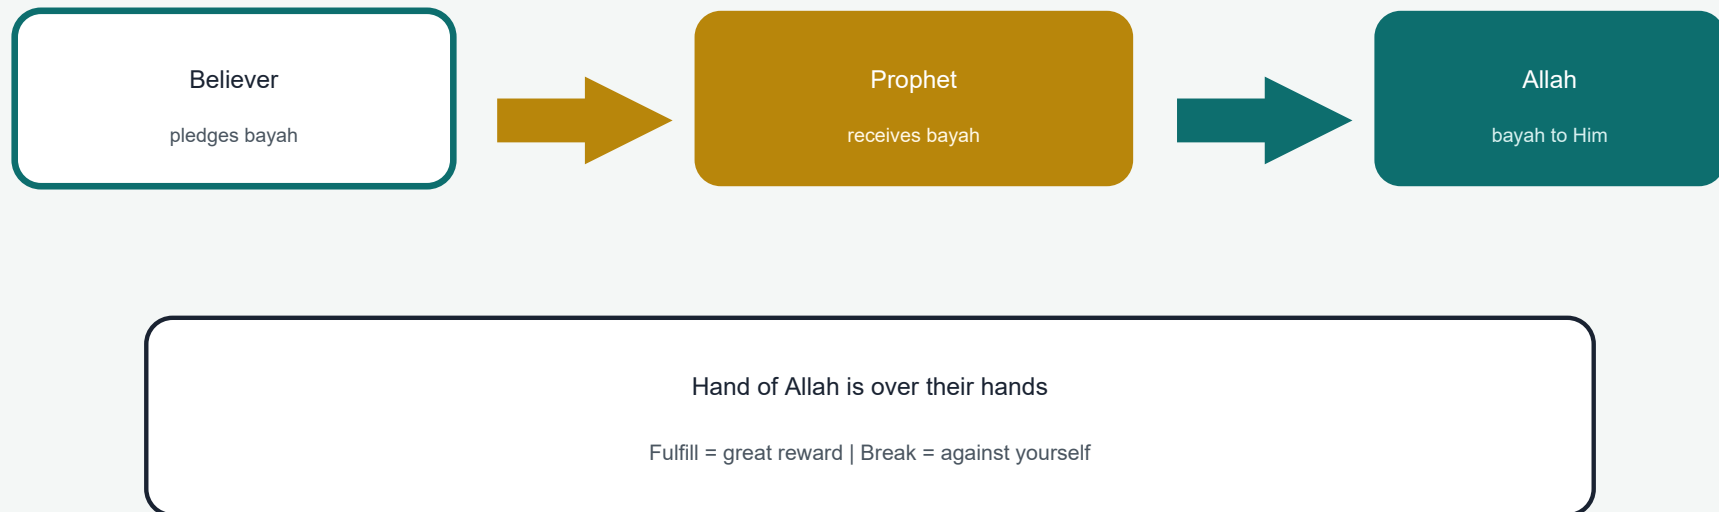

Overlap: marriage = legal aqd + mithaq ghaliz (Q 4:21)

Eschatology Courtroom

What returns on the Day - simplified

Mercy limits mechanical entitlement

Islamic frame: tawhid, mercy, accepted deeds - not Christian CT

Six Axioms

14-six-axioms.svg

Six Axioms of the Mithaq Paradigm

Summa backbone - memorize

A1 Lordship - Allah is Rabb

A2 Primordial - Alast binds

A3 Prophetic mithaq

A4 Fidelity - keep covenants

A5 Continuity / warning

A6 Eschatology - judged

Core sentence

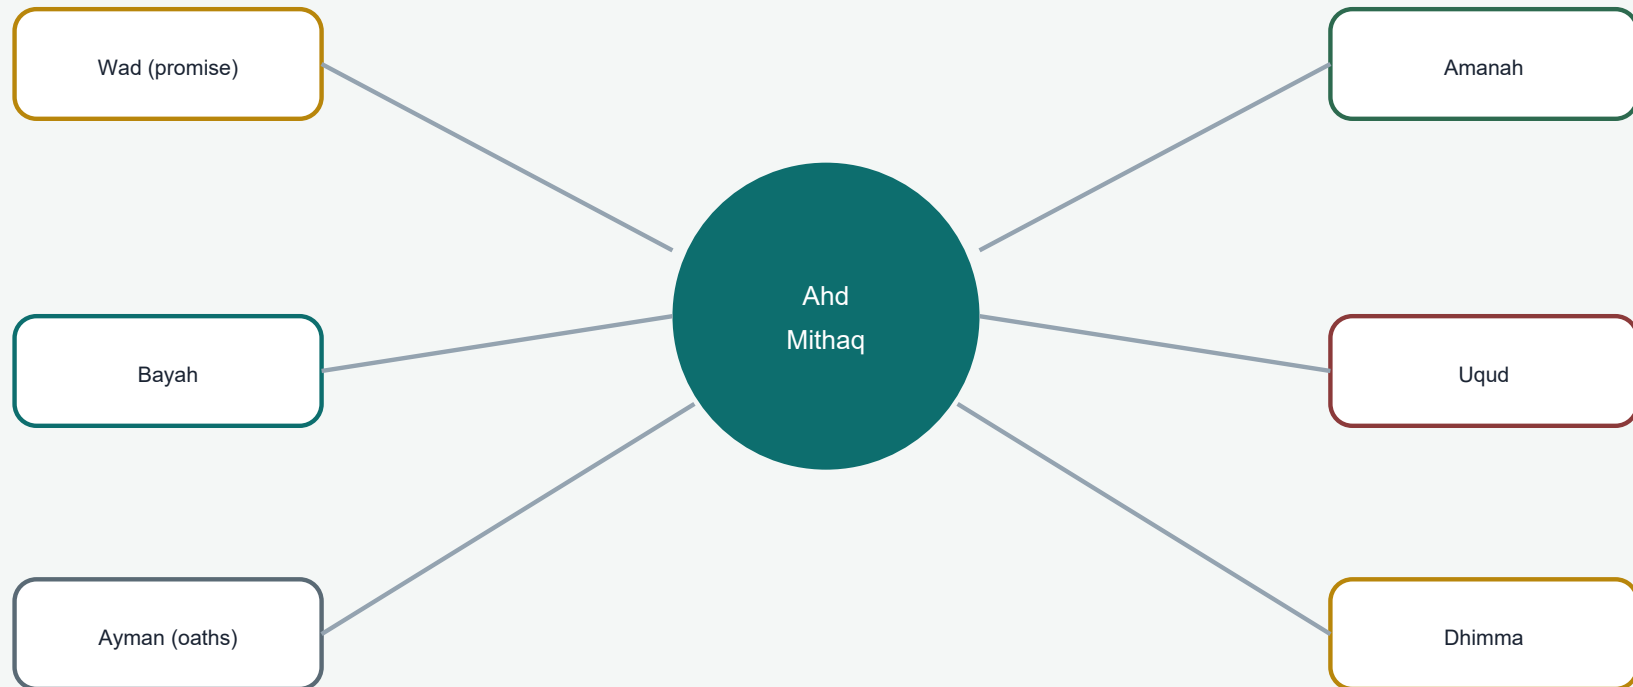

Allah binds by lordship, specifies by prophecy,
requires fidelity, and judges the covenant

Covenantal Lexicon Field

15-lexicon-field.svg

Covenantal Lexicon Field

Words that orbit ahd / mithaq

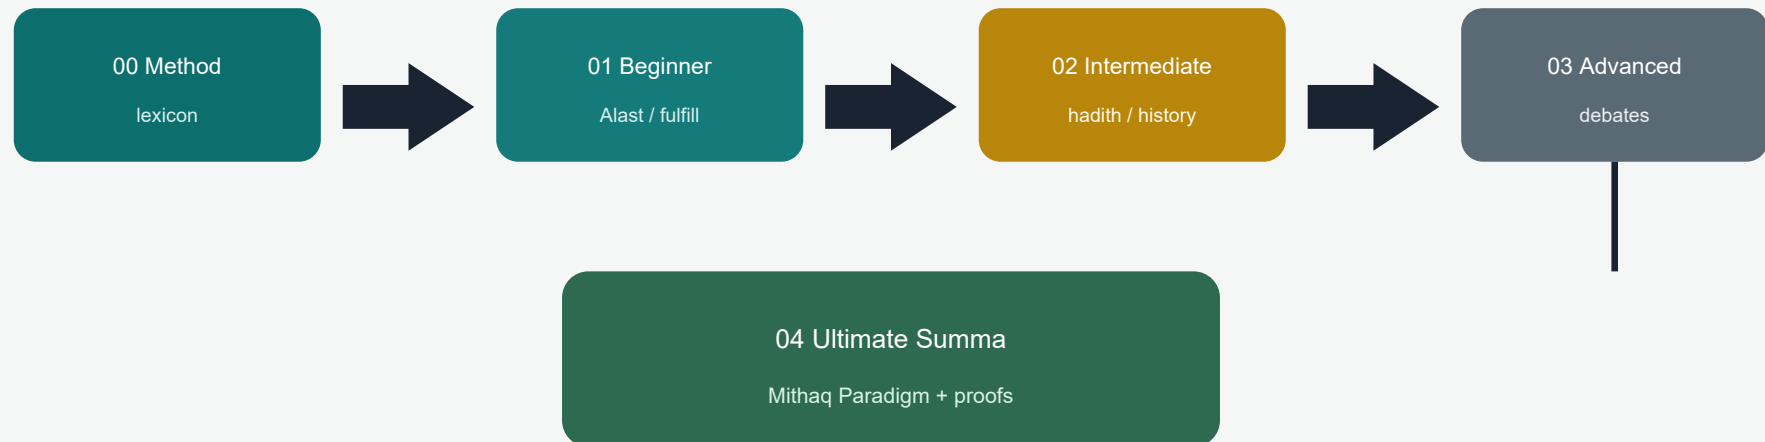

Field membership is not identity - read local context

Study Path

From foundations to Ultimate Summa

Do not skip METHOD before Ultimate claims

Keep contested issues labeled contested

Alast: Agreed Core vs Kayf Debate

17-alast-kayf-positions.svg

Alast: Agreed Core vs Kayf Debate

Do not confuse the two layers

AGREED: lordship mithaq + hujjah + anti-excuse purpose

Q 7:172-173 stands

A Literal

pre-worldly

event

B Represent

through Adam

or capacity

C Fitrah

existential

testimony

D Mixed

event +

fitrah

Tarjih: affirm hujjah | allow A-D | no emptying | no Christian CT

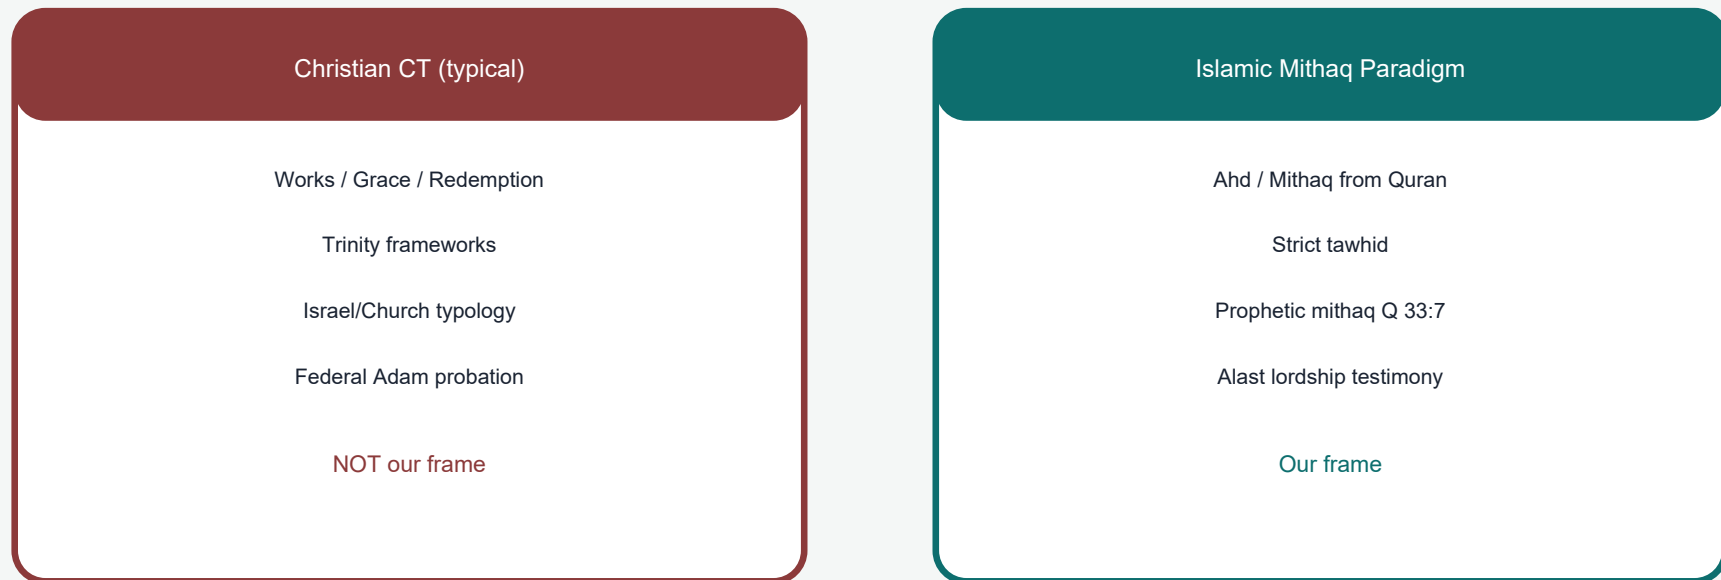

Kayf disputed is not denial of the ayah

Boundary diagram - no syncretism

Compare only after mastery - lantern outside the house

How to Prove a Covenant Claim

19-proof-method.svg

How to Prove a Covenant Claim

Eight-step istidlal (simplified)

1. Establish Arabic wording and addressees

2. Name the covenantal act (take/fulfill/break/pledge)

3. Extract stipulated content

4. Identify consequence language

5. Assign axis (1-6)

6. Add supporting ayat / sahih themes

7. Check classical tafsir range / ikhtilaf

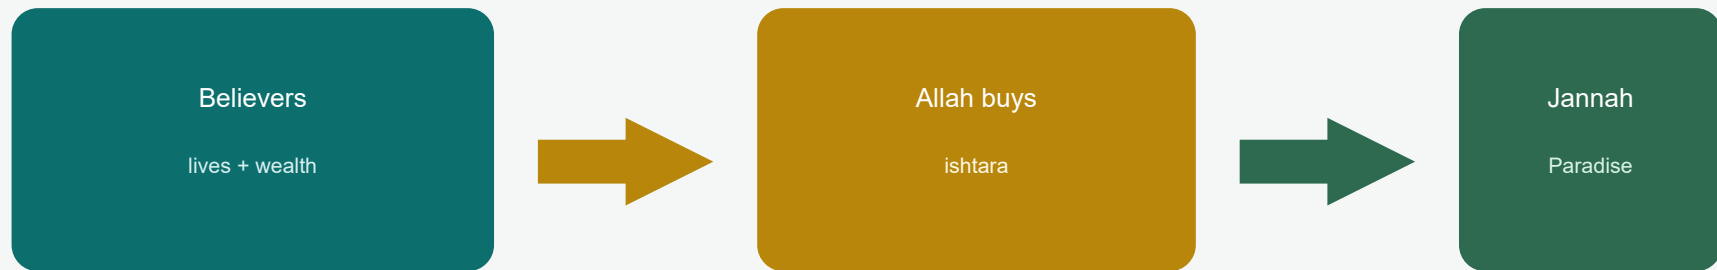

8. State yield and mark disputes

The Purchase - Q 9:111

20-purchase-9-111.svg

The Purchase - Q 9:111

Eschatological bargain - simplified

Who is more faithful to His ahd than Allah?

Rejoice in your bargain

Not a Christian 'covenant of grace' machine
